6-15 West Lake LF OU-1 Mo Progress Report.pdf

Stephanie,

I don't believe I forwarded this report yet (#2) from EMSI. Sorry, fire hose has been extra strong the past month. I will be forwarding the next month's (quarter) report/lab next, which reminded me about this one.

Thanks,

Bradley Vann - Remedial Project Manager

Mr. Vann,

Attached is the monthly status report for OU-1 including the laboratory report for the air monitoring analytical results received during this period (included in the pdf file of the monthly report). Please contact us if you have any questions.

Thank-you, Paul.
